The birds are positioned at various angles and sizes, creating a sense of movement and freedom. One large bird is in the upper right, another is in the middle left, and a third is in the lower right. There are also smaller birds and abstract shapes floating around them.

EXPERIENCE FREEDOM

FOREWORD

It's that time of the year when we experience a celestial symphony as the Gods play havoc in the skies and bring joy and bounty to us all. From moisture-laden clouds to fresh scented flowers and the aroma of fresh earth, the cusp between the Indian spring and monsoon is a wonderful time to be in. As those first few drops find their way to the parched earth, somewhere in the deep forests that surround our town, peacocks let out a jubilant cry and dance in the splendour of the changing season.

We welcomed this season of resplendent palettes and romantic evenings with celebrations of festivals like Easter, Baisakhi, Akshaya Tritiya and Id-ul-Fitr. The Joy and gaiety of these festive occasions help us bridge communities and people. As friends and colleagues share their home-cooked sweets and other delicacies with each other, we revel in the joy that as a community we are learning to appreciate one another, celebrate our difference and build a future together.

At EON Free Zone, we hope to emulate this idea in everything that we do. Which is why, we promote activities and events, creating opportunities to bring people together, beyond just work. In the spirit of bringing people together, we at EON Free Zone promote club based activities. We encourage associates to join clubs of their interest. There are a wide variety of clubs to choose from like Photography, Dance, Theatre etc. For more information about the clubs and their activities, call or message us at +91-7767811419.

We hope you had a wonderful last quarter. This edition of LIFE brings you a peek into the events and activities over the last few months at EON Free Zone.

INTERNATIONAL YOGA DAY

Date: 21st June, 2018

No. of Participants: ~200 participants

“Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well-being.” These were the words spoken by Prime Minister Narendra Modi, in his address to the United Nations, General Assembly and we are proud to note that four years from its inception, we at EON Free Zone are upholding this tradition.

There were several activities conducted throughout the day in the spirit of International Yoga Day at EON Free Zone in partnership with the Art of Living, Pune, ABS Fitness and Wellness Centre and Panchshil's own yoga evangelists. We extend a hearty thank you to all the participants that joined us in making these events a success.

Tieto's associates on the 9th of May, this year, had a gala 50th anniversary celebration. The festivities were larger than life with H.E. Ms. Nina Vaskunlathi, Finnish Ambassador to India, as the guest of honour, along with several members of the senior leadership team such as Katarina Kravi and Satu K.

The celebration was themed on the concept of 'Eat, Laugh & Rejoice' and catered to more than 700 associates at Tieto's EON Free Zone campus. The festivities began with a warm welcome for the guest of honour and splendid cake cutting ceremony with all dignitaries present. The Big FM, RJ Sangram was also present at the event and joined in to engage the associates with engaging talks and activities, creating fun memories of the glorious event. The Finnish Ambassador was also given a tour of Tieto's new E-Cluster office at EON Free Zone.

Apart from all the celebration, Tieto India, stayed true to their commitment of 'Value for Society', donating a brand new bus to the Identify Foundation, an NGO that supports the education of under-privileged children.

We at EON Free Zone, congratulate the team at Tieto on this wondrous milestone and wish everyone the very best. EON FREE ZONE

SELF- SERVICED VISITOR MANAGEMENT SYSTEM

In light of the increasing number of visitors to EON Free Zone, we have implemented a self-serviced Visitor Management System (VMS), which would simplify the process for the associates working at EON Free Zone, whenever they have visitors coming to the campus.

Some of the key highlights of the electronic VMS are:

- Visitors or groups can be pre-registered by associates at EON Free Zone, prior to the visit using an online pre-registration VMS. This process provides all the necessary information required for security clearance of any anticipated visitor and reduces the need of any inquiry or waiting in the lobby for pre-registration.
- Once the visitor has registered, she/he will receive an SMS & email with the One Time Password (OTP) enabling quick access to the self - service KIOSK or the dedicated OTP enabled visitor counter, where their pass will be generated and issued immediately.
- Additionally, with the technology for visitors to scan their government identity proofs, the system would maintain a database to enable easier and quicker access during future visits.

IMPORTANT NOTIFICATIONS

SECURITY CHECK: It has been noticed that a sizeable number of associates are not in possession of SEZ ID Card. This is a mandatory document for all bonafide associates working out of EON Free Zone, IT & IT-eS SEZ. All associates must at all times be in possession of their SEZ ID Cards.

SAFE DRIVING: Road safety and safe driving at EON Free Zone need urgent attention. A special drive is required to educate everyone, especially cab and bus drivers, whose attitudes and behaviour are becoming a matter of concern. Associates who travel by cabs should themselves take the initiative to instruct the driver to follow protocol and traffic rules.

PARKING: The Police Department has intimated that parking is strictly prohibited on the concrete road leading to EON and World Trade Center Pune. Residents of nearby societies especially have objected to vehicles parked astride the road. Public in general and associates from EON and World Trade Center Pune have also complained and expressed concern about parking on the road, as driving on the road is accident-prone and creates a major traffic congestion. Due to congestion, there is no room for PMPML bus drivers to ply buses on the road and manoeuvre. Therefore, kindly refrain from parking on the road leading to EON and World Trade Center Pune.

SMOKING ZONE: Despite repeated notifications, it has been observed that smokers continue to smoke in Non-Smoking zones. Please follow rules and smoke only in the designated Smoking areas.
