EXPERIENCE FREEDOM

FOREWORD

We're already far into the New Year and it's easy to forget that it just barely begun. It's the time for renewals! It's the time for new beginnings! As nature turns a new leaf, inspiring all of us to look at where we are and where we want to be let's take a short while to go over the highlights of the last quarter.

India is a land of Festivals, with plenty of rituals, traditions and culture. The quarter of January to March 2019 was marked by the onset of celebrations across the country. Here at EON Free Zone, we chose to celebrate Women's Day with much vigour as you will soon see and read.

It's always a pleasure to experience the level of participation for events that EON Free Zone enjoys and we welcome you to be a part of our upcoming events to take this number even higher.

At EON Free Zone, we cherish our multicultural community and encourage associates to come together, share experiences and build a strong bond of camaraderie. We look forward to more club activities and club-based events in the months to come.

WOMEN'S DAY 8th March, 2019

On the 8th of March, 2019 EON Free Zone was abuzz with women's day celebrations. The amphitheater was the center of attraction where more than 250 associates participated. Among the activities were the Mason jar workshop where participants used mason jars to create welcome signs for their homes. There were around 70 ladies that went home with beautifully decorated mason jar home signs. Engaging many associates to learn a new instrument, the Djembe workshop had many of the participants moving to the beat and enjoying themselves.

One of the main attractions however was the self-defense and self-care workshops held that attracted the interest of many a lady. This coupled with the Zumba fitness session by ABS Fitness & Wellness Club meant that it was an active day for all.

Other than that, the amphitheater was abuzz with the women centric flea market that had associates in shopping frenzies. All in all it was a lovely celebration of all things woman that left all the executives who participated with fond memories.

WOMEN'S DAY

8th March, 2019

FEEDBACK

Amruta Patil
SG Analytics

It was wonderful doing the mason jar workshop. On this special day, it gave me a wonderful opportunity to learn and made it special.

Dipali
Vodafone India

Very nice arrangements, creative workshop, wonderful setup & décor.

Priyadarshini
Vodafone India

It was an awesome drum experience.

Tripti
Credit Suisse

Excellent setup and awesome experience

With the recent launch of EON FREE ZONE II, we would like to introduce you to the facilities provided in the campus. There are training rooms and auditoriums for corporates. We have

a crèche facility for the associates by Little Big World, a food court and Starbucks centrally located at the podium level. And to help burn off some steam, the ABS gym will be opening soon.

MORE SEATS NOW OPEN AT THE LITTLE BIG WORLD DAYCARE *EON Free Zone - II, Kharadi, Pune*

Little Big World has been providing onsite daycare and preschool support to parents and companies within Eon Free Zone since 2015. Owing to increased demand for day care, Little Big World expanded the current center to 8000sqft with 60 more seats to offer. The newly renovated center was inaugurated by Mrs. Varsha Chordia. The space is designed keeping child safety in mind with child friendly furniture, soft flooring & innovative pinch proof doors.

Little Big World daycare operations are compliant on all guidelines released by the Ministry of Women & Child Development under the Maternity Benefits Act, 2017. All SOPS & operations are inspired by standards of NAYEC, US (nayec.org) and are managed by qualified staff who are trained in Early Child Care.

At EON Free Zone, we also follow an age appropriate theme based curriculum, nutritionist-approved age appropriate freshly cooked meals from our in house kitchen.

UBS now at **EON FREE ZONE II**

UBS India inaugurated its new office space at EON FREE ZONE II on the 25th October 2018. The site is truly a living example of a cross functional effort and the right spirit of collaboration of the organization. Spread across two floors, with a seating capacity of 1300, the agile workplace is filled with interactive zones, open collaboration areas, inspiring spaces for innovation, teamwork and much more. The new facility is a true reflection of the UBS brand – modern, human and different.

Allianz now at EON FREE ZONE II

Allianz Technology, India's new office in Pune was inaugurated by Dr. Christof Mascher, Member of the Board of Management of Allianz SE & Group COO, in the presence of Dr. Barbara Karuth, CEO, Dr. Turan Sahin, Head of Global Delivery Network, Dr. Richard Manson, Head of Corporate Communications, Allianz Technology SE, and Ashish Patel, CEO Allianz Technology, India and the India Management Team.

The new, modern, state of the art office with a capacity for 700 people is situated at the EON Free Zone II in Pune.

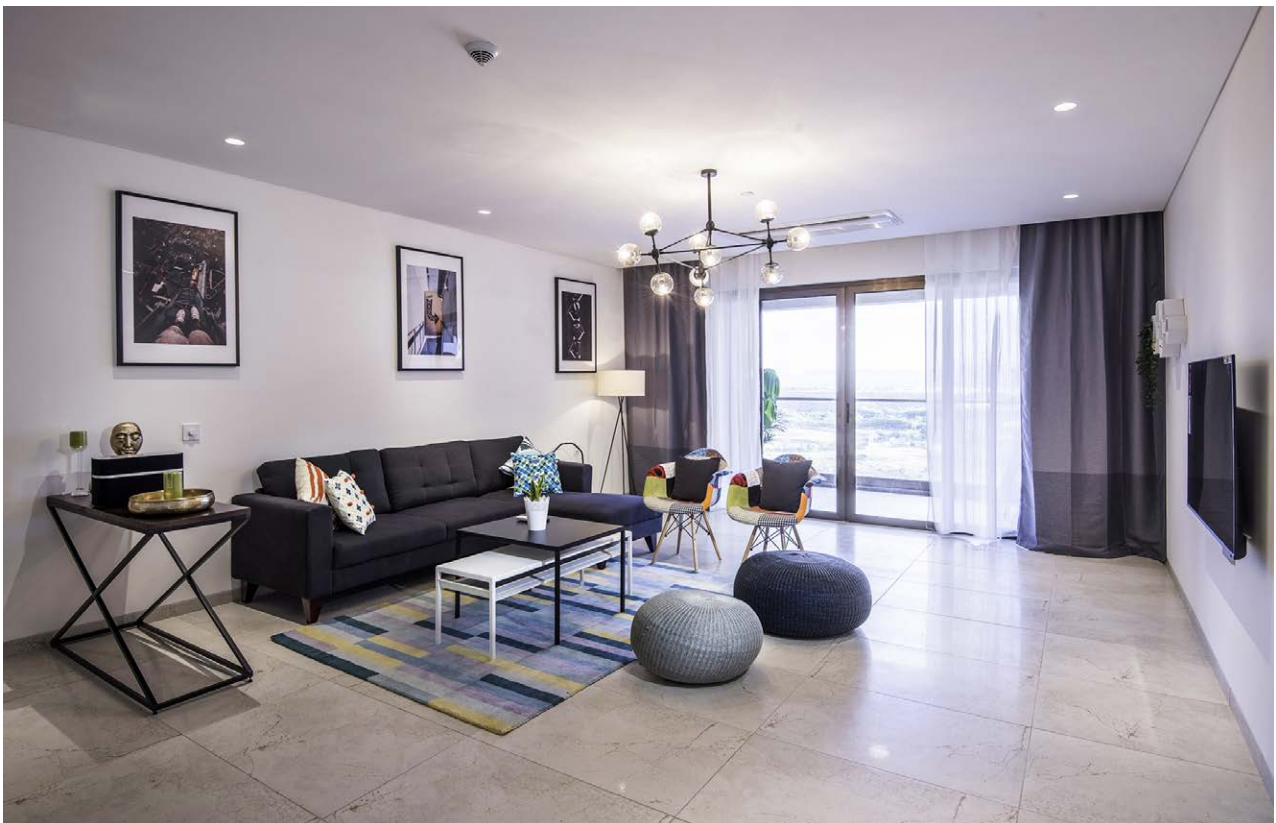

LAUNCH OF FLO CO-LIVING

Panchshil Realty has launched a venture called FLO Co-Living. FLO's flagship project is in EON Waterfront Phase II, just a stone's throw away from EON Free Zone. For any required duration, be it a day or a year, FLO rents out rooms to individuals, and also leases entire apartments to corporate offices. FLO has so far attracted a number of professionals employed in EON Free Zone and the World Trade Center due to the following: its proximity to these prominent tech parks (employees can bike or walk to and from work); comprehensive safety and security measures undertaken; flexibility and ease

both in renting and living; community of bright individuals; and impressive amenities, internal and external.

FLO describes co-living as a comfortable and convenient solution to finding a home as well as a vibrant community of like-minded people. Put short, it's luxury community living for young professionals. Co-living has taken off in cities like New York, Amsterdam, and London, and has recently become popular in Bangalore and Mumbai. FLO prides itself on being the first luxury co-living project in Maharashtra.

As mentioned earlier, FLO places immense value on community. Residents—or as FLO calls it, FLOmates—will find and contribute to a vibrant circle of bright minds. FLO provides residents with shared areas—cozy dining rooms, expansive balconies, dynamic living rooms—in an effort to give them space to grow through conversations with one another about experiences, visions, interests, etc. FLO aims to encourage FLOmates to engage with each other on all levels and be active members of this “millennial village.”

FLO further distinguishes itself from other housing options through their advanced technology, which expedites the booking process, thus allowing FLOmates to avoid

brokers, endless forms, and other unnavigable processes and hassles typically involved. Through their app, FLOmates residents can instantly request and receive any required services (housekeeping, cook on demand, medical assistance, emergency relief, among others). Interiors are equipped with state-of-the-art fixtures and furniture. FLO’s amenities include an upcoming clubhouse, world-class fitness centre, swimming pool etc. Safety measures include 24-hour security at the gate and within the building, CCTV surveillance, and biometric door locks on each apartment door. If you would like to know more about FLO, please visit their website, www.flocolive.com.

NUOVACURE

You will be pleased to note that the Nuovacure Pharmacy has launched in Cluster A, LG-1 near the auditorium passage. Feel free to procure your medical supplies between 7:00 am and

8:30 pm Monday to Saturday. As a member of the EON Free Zone, you can avail a discount of 10% off after creating an account and registering yourself.

NOBLE CLINIC

Being so occupied with worldly affairs, we often ignore our most bestowed gift in life i.e. HEALTH, and to take care of your Health Noble Hospital feels privileged to bring to you, five specialty OPD's each day of week starting from 1st Feb. 2019 near to your workplace at Noble Clinic, Cluster C, Wing 1 Basement 1, EON SEZ Kharadi.

Location: Assembly Area A/B Link

All work and no play can make a person dull and as such, EON has the option of multiple avenues to blow off some steam after or before work. A key feature that EON boasts of is its access to a work life balance.

One of the most rewarding extracurricular activities, has been participating in various clubs. Find a club that catches your interest and meet like-minded individuals from different organizations. EON currently has clubs catering to Wellness, Tech, Ecology, Reading, Photography and Travel and Music/Dance/Theater clubs. With each club growing in membership daily make some new friends and explore new ideas.

Not sure if any of the current clubs interest you? Make your own! You have the option to start your own club based on your particular interest, feel free to contact Arpita Khandelwal at +91 7767811411 for more details.

If you're looking for a more physical avenue to your time of recreation, explore facilities like the Gym and swimming pool near the amphitheater, the basketball court and tennis court further down is always abuzz in the evenings.

AN INITIATIVE BY
EON FREE ZONE

FOR SMOOTH TRAFFIC FOLLOW BELOW INSTRUCTIONS

Pedestrian Footpath / Walkway To Be Used While Entering And Exiting
The EON Free Zone Premise.

Zebra Crossing To Be Used
On Podium.

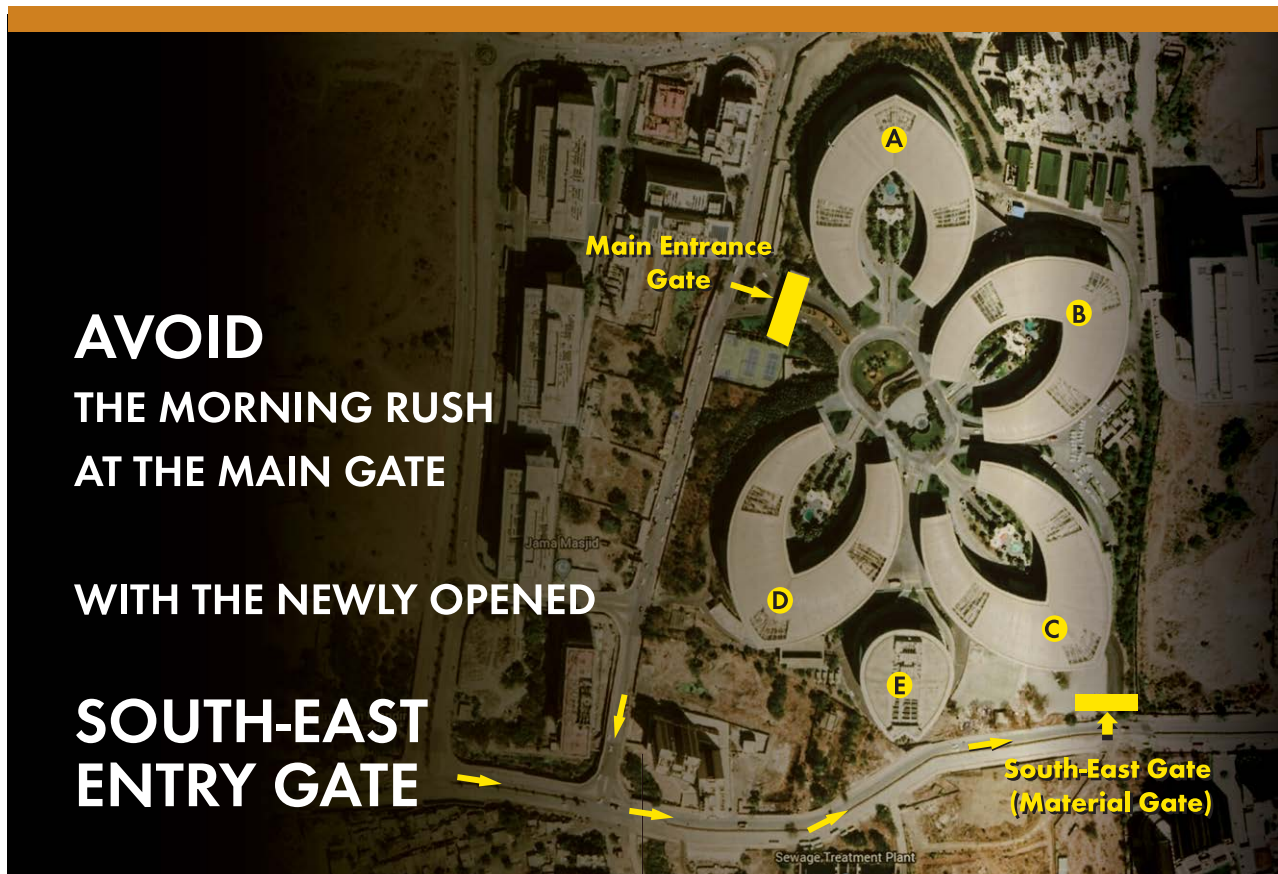

Taxi / Cab Pick-up & Drop Off Location
is On Podium A-B Link & C-D Link Road.

Walkway Created At LG-1 & LG-2
Level For Pedestrian Safety.

At **EON Free Zone**, we regular improve the working environment for our associates.

The newly refurbished the **South-East Gate (Material Gate)** located on the east side of the premises has been made operational for employee and transport vehicles (2-Wheelers, 4-Wheelers, Cabs and TT buses).

The **South-East Gate (In/Out)** will be operational from **8th May 2019 onwards**. The gate timings are from **0700hrs to 2100hrs (Monday to Friday)** for the employees of EON Free Zone only, who commute by their own or company transport vehicle.

IMPORTANT POINTS TO KEEP IN MIND:

- Employees who carry a valid company ID, SEZ ID and RFID card (for their personal-use vehicle) will only be allowed entry through the aforementioned gate
- Employees who are not carrying a valid company ID, SEZ ID and RFID card (for their personal vehicle) will be treated as visitor and will have to enter through the Main Gate while complying to the entry formalities
- Visitors, Vendors, Contractors and Interview Candidates will not be granted access through the South-East Gate and will need to enter through the Main Gate, as is the existing procedure

The movement of materials will continue to remain the same as per the existing SEZ norms.

SMOOTH TRAFFIC

To ensure smooth traffic flow & to avoid congestions, the following actions & necessary steps have been taken:

- The deployment of a security team & additional traffic wardens to control & manage the traffic from Nagar highway till the EON Free Zone premises.
- Most of the morning buses have been diverted to the new south gate for exit, so as to reduce the number of vehicles on the road from EON to both the circles. We have noticed that when these buses exit from the main gate, they take more time at the circles to turn which lead to longer queues on the road.
- Visitors parking has already been created inside the premises which is available on first-come-first-serve basis, however it has been observed that several visitor are still parking their vehicles on either side of the road which narrows down the road width causing slow movement of incoming & outgoing vehicles. We have raised this concern with the traffic authorities & they have started taking necessary action to avoid unauthorised parking.
- Night Glow Signage's are installed in the lower ground parking area to guide the associates from one location to another, however we'll review the distance between the existing signages and if required additional signages will be installed.

SELF- SERVICED VISITOR MANAGEMENT SYSTEM

In light of the increasing number of visitors to EON Free Zone, we have implemented a self-serviced Visitor Management System (VMS), which would simplify the process for the associates working at EON Free Zone, whenever they have visitors coming to the campus.

Some of the key highlights of the electronic VMS are:

- Visitors or groups can be pre-registered by associates at EON Free Zone, prior to the visit using an online pre-registration VMS. This process provides all the necessary information required for security clearance of any anticipated visitor and reduces the need of any inquiry or waiting in the lobby for pre-registration.
- Once the visitor has registered, she/he will receive an SMS & email with the One Time Password (OTP) enabling quick access to the self - service KIOSK or the dedicated OTP enabled visitor counter, where their pass will be generated and issued immediately.
- Additionally, with the technology for visitors to scan their government identity proofs, the system would maintain a database to enable easier and quicker access during future visits.

IMPORTANT NOTIFICATIONS

SECURITY CHECK: It has been noticed that a sizeable number of associates are not in possession of SEZ ID Card. This is a mandatory document for all bonafide associates working out of EON Free Zone, IT & IT-eS SEZ. All associates must at all times be in possession of their SEZ ID Cards.

SAFE DRIVING: Road safety and safe driving at EON Free Zone need urgent attention. A special drive is required to educate everyone, especially cab and bus drivers, whose attitudes and behaviour are becoming a matter of concern. Associates who travel by cabs should themselves take the initiative to instruct the driver to follow protocol and traffic rules.

PARKING: The Police Department has intimated that parking is strictly prohibited on the concrete road leading to EON and World Trade Center Pune. Residents of nearby societies especially have objected to vehicles parked astride the road. Public in general and associates from EON and World Trade Center Pune have also complained and expressed concern about parking on the road, as driving on the road is accident-prone and creates a major traffic congestion. Due to congestion, there is no room for PMPML bus drivers to ply buses on the road and manoeuver. Therefore, kindly refrain from parking on the road leading to EON and World Trade Center Pune.

SMOKING ZONE: Despite repeated notifications, it has been observed that smokers continue to smoke in Non-Smoking zones. Please follow rules and smoke only in the designated Smoking areas.
