EXPERIENCE FREEDOM

FOREWORD

The season of rebirth, renewal, resurrection and regrowth - spring is here! Mesmerizing us with its beauty & vibrancy, the nature displays its best colours during this time, providing the much needed inspiration to live our lives with zest!

Spring in India is welcomed through the celebration of festivals like Holi, Navroze, Ugadi, Easter and Baisakhi. There is gaiety all around as people participate in them with gay abandon. "Spring is the time of plans and projects." says Leo Tolstoy! It is also the time to give your career a head start and focus on making new goals. In short, spring brings out the right work-fun balance, similar to what we do for our associates at EON Free Zone. We keep them engaged and entertained with interesting activities and events throughout the year, right at their workplace, helping them maintain a perfect work-life balance!

Let's take a look at the events in the last quarter at EON Free Zone.

About 40 associates learned some cool Bollywood moves during the session. A gaming zone was created in which the associates played numerous games, had loads of fun and also won many prizes. There was an informative financial counselling session for the associates as well, to help them plan better investments.

IMPORTANT NOTIFICATIONS

SECURITY CHECK: It has been noticed that a sizeable number of associates are not in possession of SEZ ID Card. This is a mandatory document for all bonafide associates working out of EON Free Zone, IT & IT-eS SEZ. All associates must at all times be in possession of their SEZ ID Cards.

SAFE DRIVING: Road safety and safe driving at EON Free Zone need urgent attention. A special drive is required to educate everyone, especially cab and bus drivers, whose attitudes and behaviour are becoming a matter of concern. Associates who travel by cabs should themselves take the initiative to instruct the driver to follow protocol and traffic rules.

PARKING: The Police Department has intimated that parking is strictly prohibited on the concrete road leading to EON and World Trade Center Pune. Residents of nearby societies especially have objected to vehicles parked astride the road. Public in general and associates from EON and World Trade Center Pune have also complained and expressed concern about parking on the road, as driving on the road is accident-prone and creates a major traffic congestion. Due to congestion, there is no room for PMPML bus drivers to ply buses on the road and manoeuvre. Therefore, kindly refrain from parking on the road leading to EON and World Trade Center Pune.

SMOKING ZONE: Despite repeated notifications, it has been observed that smokers continue to smoke in Non-Smoking zones. Please follow rules and smoke only in the designated Smoking areas.
